

8th Grade Band Night

Whitewater High School Band

Friday, Oct. 2, 2009

Dear Parents,

Whitewater High School is inviting our students over for 8th Grade Band Night with the high school marching band at the WHS football stadium. This event will occur Friday night, Oct.2, 2009. This is a great opportunity for our students to observe, meet and develop relationships with the high school band members that they will be performing with next year. We will be working on music to play with the high school band. This will be just one way of making their transition to high school a smooth one. This is a mandatory WMS Band Event. It will help them see first hand what they have a chance to look forward to in their ninth grade year. Below is the schedule for that afternoon and evening:

Friday, Oct. 2, 2009

- 4:15p.m.: Bus picks up students from WMS and takes them to the high school
- 4:45p.m.: High school band boosters feed students a meal
- 5:30pm: 8th graders watch movie while high school band prepares for game
- 6:30pm.: Middle School students enter stadium with high school marching band wearing their new football band shirts
- 7:30p.m.: Game starts-middle school sits with high school band
- 3rd quarter: Free time to get food. Students should bring money if they want to buy food from the concession stand. They will need to be back in the stands
- 4th quarter.
- 9:30p.m.: Game over-pick up your child from the band room door area. (On the side of the school near the football stadium.)

Additionally, we will need a few volunteers to chaperone the students during this event. **All forms are due back Friday, Sept. 25.** This is a mandatory WMS Band Event. When you receive this email, please check the appropriate blanks and send it back or you can sign the form and send it back with your child.

DUE: Friday, Sept. 5

___ My child has permission to attend 8th grade band night at Whitewater High School.

___ I can help chaperone the students at the football game.
